(No. 5 of 2019)

REGULATIONS

(Made under sections 33(1)(f), 43(2))

THE WATER SUPPLY AND SANITATION (REGISTRATION AND OPERATIONS OF
COMMUNITY BASED WATER SUPPLY ORGANISATIONS) REGULATIONS, 2019

PART I
PRELIMINARY PROVISIONS

- Citation 1. These Regulations may be cited as the Water Supply and Sanitation (Registration and Operations of Community Based Water Supply Organisations) Regulations, 2019.
- Interpretation 2. In these Regulations, unless the context otherwise requires-
- Act No.5 of 2019
Cap. 331 "Act" means the Water Supply and Sanitation Act 2019;
- "Basin Water Board" means the Basin Water Board established under the Water Resources Management Act;
- "care taker" means a person appointed under regulation 23 to manage and operate the water supply scheme and provide water supply services;
- "certificate of registration" means a certificate issued to the community organisation by Registrar pursuant to these regulations;
- "cluster" means merging of two or more community organisations into one community organisation to achieve efficiency and economies of scale of water supply and sanitation services;
- "community" means a group of households, a village or a group of villages who receive their water

*Water Supply and Sanitation (Registration and Operations of
Community Based Water Supply Organisations)*

Gn. No. 829 (Contd.)

- supply from a common source, or one or more water points or a waterworks;
- Act No.5 of 2019 "community organisation" means a community based water supply organization established under the Act;
- "consumer" means any person or body of persons supplied or applying to be supplied with or using water from waterworks or receiving sanitation services or who is liable for payment of any fees or other charges for the supply or use of water or sanitation services;
- Act No.5 of 2019 "Director General" means Director General of RUWASA appointed under the Act;
- "holder of a certificate" means any community organisation which has been issued with a certificate of registration pursuant to these Regulations;
- Cap. 288 "Minister" means the Minister responsible for water;
- "Mtaa" shall have the meaning ascribed to it under the Local Government (Urban Authorities) Act;
- "Registrar" means a person appointed under these Regulations for purposes of registering community organisations;
- "register" means a ledger maintained by RUWASA for keeping information relating to community organisations;
- Act No.5 of 2019 "RUWASA" means the Rural Water Supply and Sanitation Agency established under section 42 of the Act;
- "service area" means the jurisdiction within which a community organisation or a water authority provides water supply and sanitation services;
- "service provider" means a person engaged by the community organisation to provide water or sanitation services to a given community;
- "tariff" means any charge, fee, price or rate charged for provision of water or sanitation services as shall be approved by RUWASA;
- Act No.5 of 2019 "Water Authority" means a Water Supply and Sanitation Authority established under section 9 of the Act; and
- "wayleave" means the right of way for water works.

**PART II ESTABLISHMENT AND REGISTRATION OF COMMUNITY
ORGANISATIONS**

Establishment of community organisation

3.-(1) Pursuant to section 32 of the Act, there shall be established a Community Based Water Supply Organisation for the purpose of effective management and operation of water supply and sanitation services in its area of jurisdiction.

(2) Community Organisation established pursuant to sub regulation (1), may be in the form of-

(a) water consumer association;

(b) water trust;

(c) cooperative society;

(d) a Non-government Organisation;

Cap. 212

(e) a company incorporated under the Companies Act; or

(f) any other body as approved by the Minister.

Act No.5 of 2019

(3) Community organisation shall form its Community Water Committee and Community Water Management Team in accordance with the Act and its constitution or memorandum of agreement.

Act No.5 of 2019

(4) Where a community organization is established under any other written law, it shall prepare its constitution or memorandum of agreement in the form set out in the Second Schedule to the Act and submits to the Registrar for registration after being incorporated or registered pursuant to such written law.

Procedure for establishment of community organisation

4.-(1) RUWASA in collaboration with local government authority shall convene a meeting between the Village Council leaders, Ward executive officer and respective Councillor to initiate the process of establishment of a community organisation.

(2) The Village Council in collaboration with the local government authority and RUWASA shall convene Village General Assembly to deliberate on establishment of community organisation.

(3) Upon acceptance of the establishment of community organization, the Village General Assembly shall, in collaboration with the local government authority and RUWASA, appoint an interim committee for preparation of a constitution or memorandum of agreement and undertake other relevant matters necessary for establishment of such community organisation.

(4) For community organization in urban areas, Mtaa upon prior consultation with a water authority and RUWASA shall undertake measures to establish community organization pursuant to these Regulations.

Composition
of Interim
Committee

5.-(1) The Interim Committee appointed under subregulation 4(3) shall comprise of the following members appointed by general assembly:

- (a) chairman;
- (b) secretary;
- (c) treasurer; and
- (d) one member.

(2) subject to subregulation (1) where the community organization intends to provide water and sanitation services across more than one village, the interim committee shall comprise of not more than two members from each village appointed by respective general assemblies.

Appointment
of Community
Water
Management
Team

6.-(1) The Community Water Committee shall, pursuant to paragraph 4 of the Second Schedule of the Act, recruit Community Water Management Team on competitive basis on such terms as the organization determines.

(2) Where a community water management team has not yet been appointed by the community organization, RUWASA may appoint an interim supervisor, treasurer and any officer as deem fit to act as a community water management team.

Community
Water
Committee in
multi village

7.-(1) Where a community organization established under the Second Schedule of the Act comprises of more than one village, Community

water scheme Water Committee shall be elected amongst the names proposed by the respective general assemblies in the meeting convened by local government authority in Collaboration with RUWASA.

(2) Members of the meeting convened in accordance with sub-regulation (1) shall comprise of-

- (a) chairman from each village;
- (b) village executive officers from each village;
- (c) ward executive officers from each ward;
- (d) councillor from each ward; and
- (e) two members of each water and sanitation committee from each village councils.

(3) In appointing members under sub-regulation (1), the appointing authority shall take into account composition of community water committee under Second Schedule and ensure that each village is represented.

Preparation
of
constitution
or
memorandum
of agreement
Act No.5 of
2019

8.-(1) The interim committee appointed under sub-regulation 4(3) shall prepare a memorandum of agreement or constitution in consultation with the village council and the Registrar.

(2) The prepared constitution or memorandum of agreement shall be substantively in the form set out in the Second Schedule of the Act.

(3) The draft constitution or memorandum of agreement shall be deliberated and approved by the general assembly or founder members as the case may be.

(4) The constitution or memorandum of agreement of the community organisation shall be submitted to RUWASA for approval subject to consultation of the relevant local government authority.

(5) RUWASA shall collaborate with relevant local government authority to promote and sensitize the community to form a community organisation in order to manage and operate water supply and sanitation services.

Registration
requirement

9.-(1) A community organisation established for

purposes of managing and operating water supply scheme shall be register with the Registrar pursuant to the provisions of the Act and these Regulations.

(2) Any community organisation registered before coming into operation of these regulations pursuant to the provisions of the Water Supply and Sanitation Act shall, within the period of two years from the date of coming into operation of these Regulations, be required to submit their certificates of registration to the Registrar for re-registration and amend their constitutions or memorandum of agreements to conform with the requirements of the Act and these Regulations.

Application
procedures

10.-(1) A community organization that intends to apply for registration of a community organisation shall submit an application to the Registrar in the prescribed Form Number 1 set out in the Schedule to these Regulations.

(2) An application for registration shall be submitted to the Registrar by one or more founder members of the community organisation and shall be accompanied with-

- (a) a copy of constitution or memorandum of agreement of the community organisation;
 - (b) personal particulars including curriculum vitae (CV) of the members of the community water committee and community water management team;
 - (c) address and physical location of the head office of the community organisation;
 - (d) Minutes of the village assembly meeting with signed list of participants who accepted establishment of the community based organisation or minutes containing full names and signature of founder members;
 - (e) payment receipt of application fee; and
 - (f) any other particulars or information as may be required by the Registrar.
- (3) A person who submits false information

for the purpose of acquiring registration of community organization, commits an offence and upon conviction shall be punishable to a fine of not less than fifty thousand shillings or to imprisonment not less than one month.

Registration Fees

11. There shall be a registration fee chargeable and payable in respect of any application for registration of a community organisation as may be determined by the Board of RUWASA.

Registrar

12.-(1) Every District Manager of RUWASA shall be the Registrar of community organisation in the respective District.

(2) Without prejudice to the provision of sub-regulation (1), the District Manager may designate such other officer of RUWASA to perform the powers and functions vested to the Registrar.

(3) The Director General may appoint or designate a person to perform the functions of the Registrar in an area which has no District Manager of RUWASA.

Functions of Registrar

13. Functions of the Registrar shall include to-

- (a) approve constitution or memorandum of agreement submitted by a proposed community organisations;
- (b) register community organisations;
- (c) keep and maintain register of community organisations;
- (d) keep records and reports regarding community organisations;
- (e) cause to be published in the Gazette all registered and cancelled community organisations in every six months;
- (f) enquire into any matter regarding the performance of activities and management of community organisations; and
- (g) perform such other functions as may be assigned by the Director General.

Determination for application	<p>14.-(1) The Registrar shall within thirty days upon receiving the application determine the application.</p> <p>(2) Subject to sub-regulation (1), the Registrar may, register or refuse to register a community organisation and notify the Applicant accordingly.</p>
Refusal of registration	<p>15.-(1) The Registrar may refuse to register a community organisation if he is satisfied that-</p> <ul style="list-style-type: none">(a) the activities of the proposed community organisation are not for the public interest or are contrary to any written law;(b) the applicant has given false or misleading information in any material particular;(c) the area under which the community organisation is intending to operate, is serviced by another community organisation or a water authority; or(d) any other reason as the Registrar may deem appropriate. <p>(2) Where the Registrar has refused to register a community organisation, he shall notify the applicant in writing and provides the reasons for such refusal.</p>
Registration and issuance of certificate Act No.5 of 2019	<p>16.-(1) The Registrar shall register the community organisation, after being satisfied that the application meets the requirement of the Act and these Regulations.</p> <p>(2) Upon registration of a community organisation pursuant to sub-regulation (1), the Registrar shall issue a certificate of registration to the registered community organisation in a prescribed Form Number 2 set out in the Schedule to these Regulations.</p>
Effect of registration	<p>17. A Certificate of registration issued pursuant to these Regulations shall be a conclusive evidence of a community organisation having authority to provide water supply and sanitation services pursuant to the</p>

Act.

Register
Act No.5 of
2019

18.-(1) There shall be established and kept a register of community organisation in which information relating to the community organisations registered under the Act shall be entered.

(2) The register of community organisation referred to under sub-regulation (1), shall be maintained at the district, regional and national levels.

(3) The register maintained at the district level shall contain information relating to the community organisations in respect of such particular district.

(4) The register maintained at the regional level shall contain consolidated information relating to the community organisations from the districts of such particular region.

(5) The register maintained at the national level shall contain consolidated information relating to the community organisations from the regions.

PART III
REVIEW AND APPEAL

Review by the
Registrar

19.-(1) Where an applicant is not satisfied with the decision of the Registrar made pursuant to these Regulations, may within thirty days from the date of notification of the decision of the Registrar apply to the Registrar for review of his earlier decision in a prescribed Form Number 3 set out in the Schedule to these Regulations.

(2) The Registrar shall determine the application for review and issue his decision within fourteen (14) days from the date of receipt of application for review.

Appeals

20.-(1) Where an applicant is not satisfied with the decision of the Registrar under these Regulations, may within thirty days from the date of the decision appeal to the Director General in a prescribed Form Number 4 set out in the Schedule to these Regulations.

(2) Upon receipt of the appeal, the Director General may:

- (a) uphold, quash, or vary the decision of the Registrar;
- (b) require the Registrar to revise or review his decision; or
- (c) require the Registrar to inquire specific information from the appellant and make further consideration of the application.

PART IV

SUSPENSION AND CANCELLATION OF CERTIFICATE

Suspension
or
Cancellation
of Certificate

21.-(1) The Registrar may suspend or cancel a certificate of registration if he is satisfied that-

- (a) the terms or conditions prescribed in the certificate have been violated;
- (b) the community organisation has ceased to exist;
- (c) the community organisation operates in variance to its constitutions;
- (d) member of the community organisation or public have submitted to the satisfaction of the Registrar, recommendation for its suspension or cancellation;
- (e) community organisation has been clustered; or
- (f) a water authority has been established or extended services in the area under jurisdiction of the community organisation.

(2) Where the certificate of registration has been suspended or cancelled, the Registrar shall, in a prescribed Form Number 5 set out in the Schedule to these Regulations-

- (a) notify the relevant community organisation;
- (b) order such community organisation to stop its operations; and
- (c) remove the name of such community organisation from the register.

(3) A person who without reasonable justification refuses to comply to with order of the Registrar under this regulation, commits an offence.

Procedures
for
suspension or
cancellation

22.-(1) Where a community organisation holding a certificate is in default of the terms and conditions in respect of which the certificate was issued, the Registrar may serve the community organisation a default notice in writing specifying-

- (a) the nature of the default by such community organisation; and
- (b) time within which the default shall be rectified.

(2) Where the community organisation fails to remedy or rectify the default within the time specified in the default notice or has not made a representation to the satisfaction of the Registrar, the Registrar shall suspend or cancel the certificate.

Appointment
of care taker

23.-(1) Where a certificate of registration of a community organisation has been suspended or cancelled in accordance with these Regulations, or where the community organisation has failed to provide services, the Director General shall appoint a care taker to manage and operate the water supply scheme and provide water supply services for a period not exceeding six months.

(2) The care taker appointed by the Director General may be a committee, a water authority or any other body corporate.

PART V OBLIGATION OF COMMUNITY ORGANISATION

Management
and operation
of Water and
Sanitation
Schemes

24.-(1) A community organisation shall be responsible for the provision of water supply and sanitation services by managing and operating Water and Sanitation Schemes within its service area.

(2) The service area of community organisation

under subsection (1) shall be as prescribed by the certificate of registration issued under these Regulations.

(3) The community organisation shall, in collaboration with the Basin Water Boards, engage in interventions for protection and conservation of water sources for sustainable water supply.

Wayleave for
waterworks
Act No. 5 of
2019

25.-(1) Without prejudice to section 22 of the Act, community organisation shall have mandate to assume control of the wayleave of two meters with regard to water distribution pipes of size of less than 150 mm, being one meter from the centre of the pipe.

(2) Upon assuming control of the wayleave under sub-regulation (1), the Community Organisation shall demarcate such area by installing visible signs on the outer boundary of the wayleave.

(3) A community organisation shall acquire a title in respect of all landed property including areas where water sources, water storage facilities, buildings, domestic water points and other infrastructure for the water systems are located.

Tariff setting
by community
organisation

26.-(1) The community organisation shall propose water tariff and other charges in accordance with the guidelines for tariff setting developed by RUWASA.

(2) Water tariffs and other charges shall be approved by the Board of RUWASA.

Submission
of reports

27.-(1) Community organisation shall prepare and submit to RUWASA quarterly, semi-annual and annual reports showing performance of service provision in such given durations or any other report as RUWASA may require.

Act No. 5 of
2019

(2) Subject to section 34(5) of the Act, Community Water Management Team shall submit reports to RUWASA after the approval of the Community Water Committee.

(3) Community Water Management Team shall present to the community quarterly operational performance reports approved by Community Water

Committee.

PART VI
MONITORING AND REGULATION OF COMMUNITY
ORGANISATION BY RUWASA

Monitoring
and
regulation of
community
organisation

28.-(1) RUWASA shall develop guidelines for monitoring and regulation of community organisation.

(2) In monitoring and regulating community organisation, RUWASA shall prepare annual report showing the performance levels of the Community Organisation and submit the report to the Minister.

Categorization
of
community
organizations

29.-(1) RUWASA shall classify Community Organisation into categories based on performance levels with the view of determining the extent of support required to improve operational and management status.

(2) The categorization of community organization under these Regulations shall be determined by any of the following criteria:

- (a) number of population to be served by community organization;
- (b) total villages or total scheme network in the community organization service area;
- (c) investment and complexity level of the scheme;
- (d) capacity of the community organization to generate revenue;
- (e) collection efficiency; and
- (f) capacity of community organization to meet operation and maintenance costs.

(3) RUWASA shall develop guidelines to determine level of support required by a community organisations based on the category under sub-regulation (2).

Arrangement
between
community

30.-(1) In approving arrangement between a community organisation and a service provider,

organizations and service provider
Cap. 103

RUWASA shall take into account provisions of the Public Private Partnership Act on Small Scale Public Private Partnership projects.

(2) Subject to the approval of the Minister responsible for Public Private Partnerships RUWASA may, upon consultation with the Minister, develop a framework for appointment of service providers by a community organization.

Submission of reports

31. RUWASA shall submit to the Minister quarterly, semi-annual and annual performance reports and any other report as may be required by the Minister.

PART VII CLUSTERING OF COMMUNITY ORGANISATIONS

Power to cluster community organisations

32. For the purpose of achieving efficiency and economies of scale, RUWASA may, in consultation with the relevant Local Government Authorities, cluster community organisations into one community organization.

Criteria for clustering community organisations

33.-(1) In determining clustering of the community organisations, RUWASA shall take into account the followings,

- (a) geographical proximity between community organisations;
- (b) access and use of common water source; and
- (c) performance level of a community organisation.

(2) Pursuant to subregulation (1), RUWASA shall develop guidelines for purpose of operationalising clustering of community organisations.

Constitution and name of clustered community organisation

34.-(1) The constitution or memorandum of agreement of a clustered community organisation shall be prepared by a joint committee composed of members representing each of the clustered community organisations in collaboration with

RUWASA.

(2) The name of the clustered community organisation shall be decided by RUWASA upon recommendation of the clustered community organisations.

Registration
and
Commencem
ent of
clustered
community
organisation

35.-(1) The clustered community organisation shall be registered pursuant to these Regulations.

(2) The clustered community organisation shall commence its operations upon being registered by the Registrar pursuant to these Regulations, and composition of its Community Water Committee and Community Water Management Team.

(3) Upon commencement of the clustered community organisation, the clustered community organisations shall automatically cease to operate and their certificate of registration be cancelled by the Registrar.

Composition
of
community
water
committee
and
community
water
management
team
Act No. 5 of
2019

36.-(1) The Community Water Committee of a clustered community organisation shall be composed of members prescribed in the Second Schedule to the Act by taking into account that each of the villages or community organisations as the case may be, is represented.

(2) The Community Water Committee shall establish the Community Water Management Team of the clustered community organisation upon consultation with RUWASA.

Powers
and
function
of
clustered
communi
ty

37. The clustered community organisation shall exercise such powers and perform such functions as any community organisation is mandated pursuant to the Act and these Regulations.

organizati
on
Act No. 5
of 2019

Assets of the
clustered
community
organisation

38. Where RUWASA clusters community organisations, assets and liabilities of the clustered community organisations shall be vested to the clustered community organisation.

Reference of
disagreemen
t to Minister

39. Where there is disagreement between RUWASA and community organisation on clustering, any aggrieved party may refer the matter to the Minister for resolution.

PART VIII GENERAL PROVISIONS

Service area
of
community
organization

40.-(1) The service area of a community organization shall be as provided in the constitution or memorandum of agreement and as defined in the Certificate of Registration.

(2) Subject to sub-regulation (1), no community organization shall be established and registered to provide water supply and sanitation services within the service area of a water authority except where the water authority has not extended the services to the area and such area is known and approved by the water authority.

Inspection of
documents

41. Subject to prescribed procedures, a member of the public has the right, upon payment of fees as shall be prescribed by the Registrar, to inspect documents related to operations of community organisation at the office of the Registrar.

Restrictions
for operating

42. A community organisation shall not manage and operate water supply and sanitation services without a valid certificate of registration issued pursuant to these Regulations.

Cessation of
community

43. A community organisation shall cease to own, manage, operate and provide the water supply

*Water Supply and Sanitation (Registration and Operations of
Community Based Water Supply Organisations)*

Gn. No. 829 (Contd.)

organisation and sanitation services upon:

- (a) establishment of water authority in its service area;
- (b) extension of area of service of existing water authority to include the area serviced by the community organisation;
- (c) clustering of community organisations;
- (d) certificate of registration of the community organisation has been suspended or cancelled; or
- (e) area under which the community organisation is operating is in the jurisdiction of a water authority and the water authority has extended services in the area operated by community organisation.

Offences
and
penalties

44.-(1) A person who contravenes any of the provisions of these Regulations commits an offence.

(2) Any offence committed against these regulations for which no specific penalty is expressly provided for in the Act shall, upon conviction, be punishable to a fine of not less than fifty thousand shillings or to imprisonment of not less than one month or both.

Revocation
of GN. No.
21 of 2010

45. The Water Supply and Sanitation (Registration of Community Owned Water Supply Organisations) Regulations, 2009 are hereby revoked.
